

Online Broker Training

We have updated the **online policy and systems trainings** to reflect recent policy changes as well as our recently launched enhanced user interface. Access them [here](#).

All new brokers and those approaching recertification must complete either of these trainings. Brokers must recertify every two years.

Thank you for your interest in the DC Health Link Broker Training, administered through NAHU. We are happy to announce that the training is now available to all brokers through the NAHU online platform. Please use this link to access the training: <https://nahu.inreachce.com/Details?resultsPage=1&sortBy=&q=dc+broker&searchType=1&groupId=154ae22b-92eb-41f0-854b-3a9cabc20c8e>

If you have already completed the policy training component, please review the systems training, now also available through NAHU. This will be listed as module 5.

Please let us know if you have any questions.
