

A new health plan

with a new approach

Anthem HealthKeepers
Offered by HealthKeepers, Inc.

Anthem Link, offered by HealthKeepers, Inc., gives your employees on-demand access to lower-cost, higher-quality care. It brings together the power of the HealthKeepers network with advanced digital tools for a smarter, more connected healthcare experience.

Integrated, 24/7 digital support through our Sydney Health app

Your employees' health history is compiled in one place to personalize their care journey:

- **Chat and video visits** with full medical history context
- **Automated** imports of electronic medical records
- **Lab and pharmacy** integration
- **Personalized** health messages

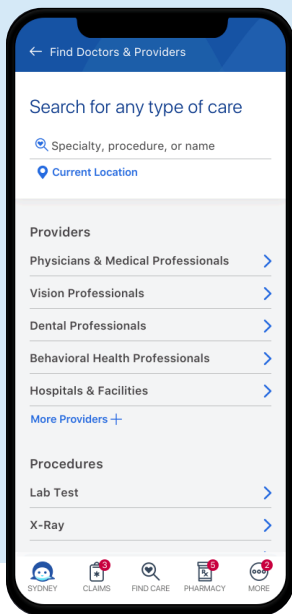

Anthem Link is a plan that reimagines what's possible for every moment of health, adding value and improving healthcare through lower costs and enhanced access to virtual and in-person care.

Anthem HealthKeepers Open Access Point of Service network

A personal, connected member experience in Virginia

The Open Access Point of Service (POS) network includes conveniently located and specially chosen doctors, clinics, and hospitals with a record of improved outcomes, higher quality, and lower costs.

The Find Care tool lets your employees search for doctors and facilities in the plan's network

Your employees can use the **Find Care** tool on our **Sydney Health app** or at **anthem.com** to search for doctors, dentists, hospitals, labs, and facilities. They can compare costs, location, and office hours. They can also:

1. **Search** for care providers and facilities by name, specialty, or procedure.
2. **Filter** results based on preferences such as languages spoken, affiliated hospitals, and location.
3. **Discover** more about doctors and dentists, such as their specialties, gender, educational background, and contact information.

Encourage your employees to download the Sydney Health app today.
